http://mendozaportfolio.me/

I am a young programmer looking for a job to better improve my programming skills, and collaboration skills. I also seek a position that challenges my mind and time to become more efficient in the workspace.

- Bilingual (spanish and english)
- Good problem solver
- Works well alone and with a team (collaborates with github)
- Determined
- Ambitious
- Positive attitude

- Landscaping
- Cleaned the city of Wayne
- Made sandwiches for the homeless
- Wrote christmas cards for the veterans, police, firemen, etc.

Wayne Memorial High School/ Junior
September 2015 - Present, Wayne, MI

I go to school full time. I have achieved a 1210 on the SAT and a 3.6 GPA. during senior year i will take 3 AP classes, AP Biology, AP Computer Science, AP Calculus.

William Ford Career-Tech Center / Game Design and Programming
August 2017 - June 2018, Wayne, MI

I took this class to get more of an insight into the world of programming, what the process is taken to make a game or software, and also to get more experience with programming and collaboration. I also took this class to learn more about deadlines and how to finish on time.

SoloLearn/HTML and CSS, Javascript

I used this website to learn the basics of HTML and CSS and Javascript.

W3Schools/HTML and CSS, Javascript (advance)

I used this website to learn more advanced HTML and CSS and

Javascript.

___

Awards   Honor Roll, Perfect Attendance(more than one time).
